New Features / Enhancements

1. Opt Out of PTC now displays on Booking Summary / Booking Confirmation

Description

Previously when users chose to opt out of a PTC, RCS did not record the Opt Out on the Booking Summary, Booking Confirmation or Email Confirmation screens.

An RCS user can continue to opt out of PTC's where applicable, however, the message 'User Opts out of PTC' will now display on the Booking Summary Screen, Booking Confirmation Screen and Email Confirmation.

If a user chooses to select a PTC date, the current process of displaying the selected date will continue.
