ANNOUNCEMENT

CAMS IS BACK ONLINE

October 26, 2026

Services on CAMS have been restored. Filing, scheduling and account access services are operating normally. Email filing and email scheduling are no longer required. Thank you for adapting.

As announced on Wednesday, October 21, 2026, the CAMS portal was taken offline for unscheduled maintenance. Security updates related to a vulnerability identified globally in the PHP programming language were applied.

Since then, comprehensive checks indicate no data or files were compromised.

The transcript portal remains offline. Please continue to submit transcripts for filing via email to the appropriate Registry:

Calgary Registry – Calgary.Registry@albertacourts.ca
Edmonton Registry – Edmonton.Registry@albertacourts.ca

Filed copies will be returned by the Registry via email. The electronic appeal file will be updated by the Registry while public access to the transcript portal is unavailable.

We apologize for the inconvenience.

Heidi Schubert, K.C.
Registrar, Court of Appeal of Alberta
