

PROVINCIAL COURT OF ALBERTA

To: All members of the Edmonton and area Bar
From: Judge J.G. Easton,
Assistant Chief Judge, Edmonton Family & Youth Division
Subject: Judicial assignments in Edmonton and area
Date: February 10, 2009

Effective immediately, judicial assignments for the Edmonton Family & Youth Division are posted on the Alberta Courts website (www.albertacourts.ab.ca). At the main webpage, click on "**Provincial Court**" and link to "**Family Court**", "**Youth Court**" or to "**Judicial Schedules**". Any of these will take you to the webpage containing links to judicial schedules for the Edmonton Criminal Division and the Edmonton Family & Youth Division. These are posted in .pdf format. The schedule displays 3 months of assignments, and advances at the end of each month. The assignment schedule may change, and the most current source of information is the webpage itself. The .pdf document shows the date and time of the posting; please do not rely on an outdated paper copy of the schedule.

Access is by means of a password; members of the Bar with access to the Edmonton Criminal Division schedule can use the same password to access the Family & Youth Division schedule. If you wish the access password, please contact Barb Petryk (Barb.Petryk@gov.ab.ca). **Access is for members of the Bar; please do not share this information or the access password with your clients or other members of the public. Failure to respect this request may result in a denial of access.** Additionally, please refrain from asking Court staff for assignment information beyond the period shown. If you have any questions or suggestions regarding this, please contact me. Thank you.
