## RCS – Remote Court Scheduling

Release 4.17

July 5, 2017

### Defence access to Court Informations SR 40389

Registered Users will now have access to a reproduction of a Court Information as soon as it's available in JOIN. This will be beneficial for bail hearings, as well as alleviating the wait for photocopies to be produced by Court Services.

Please note, this is a reproduction and in some instances may not exactly match the Information filed at Court.

#### File Search

The screenshot shows a 'File Search' form with two main sections: 'Search by' and 'Or'. The 'Search by' section includes fields for Last Name, First Name, Court Location, Police File Number, Courtroom, Charge(s), and Search Purpose. The 'Or' section includes Docket Numbers and Search Purpose. Annotations highlight the 'Search Purpose' dropdown in both sections, with callouts explaining that 'Forms' is selected for a general search and 'Forms' is selected for specific Docket Numbers.

clearly for easier reading

## **CMO for Grande Prairie Provincial Court SR 87221**

---

Changes have been implemented for the Grande Prairie Court to allow for defence counsel to access and create bookings using the Remote Court Scheduling application.

This will allow for bookings using the current system to check for officer schedules. Crown date scheduling will not currently be accessed for these bookings.
