NOTICE TO THE PROFESSION AND PUBLIC

**CALGARY COMMERCIAL DUTY LIST MATTERS BEING HEARD ON THE
EDMONTON COMMERCIAL DUTY LIST**

In response to continuing high volumes in commercial matters in Calgary, the pilot project announced by the Court in Notice to the Profession and Public NPP#2018-06, whereby matters scheduled on the Calgary Commercial Duty List may be heard by Justices on the Edmonton Commercial List, will be continued until further notice. For such matters to be heard on the Edmonton Commercial Duty List, the following conditions must be met:

1. There is time available on the Edmonton Commercial Duty List;
2. The matter is urgent;
3. The matter would not require the Justice hearing the matter in Edmonton to case manage the action; and
4. The Co-Chairs of the Commercial Practice Steering Committee both agree that the matter should be heard on the Edmonton Commercial Duty List.

It is expected that counsel and parties would attend the Application in person in Edmonton unless leave to otherwise appear is obtained prior to the hearing of the Application.

Mary T. Moreau, Chief Justice

John D. Rooke, Associate Chief Justice
